CONSULTING & ANALYSIS

ONE SOLUTION PARTNER FOR YOUR CHEMICALS AND PROCESSES

REGULATORY COMPLIANCE &
SAFETY ASSESSMENT OF
PRODUCTS AND PROCESSES

WHO WE ARE

We are an Italian company founded in 1980 and in the following years we have expanded our activities with particular reference to consulting services aimed at industrial companies in terms of regulatory compliance & chemical safety assessment.

OUR MISSION

Our approach is to offer integrated services while maintaining the dynamism necessary to be constantly updated on the regulatory obligations that companies in each sector have to face. We know that no two companies are the same and for this reason we set up our activities according to the specific needs of each of our customers.

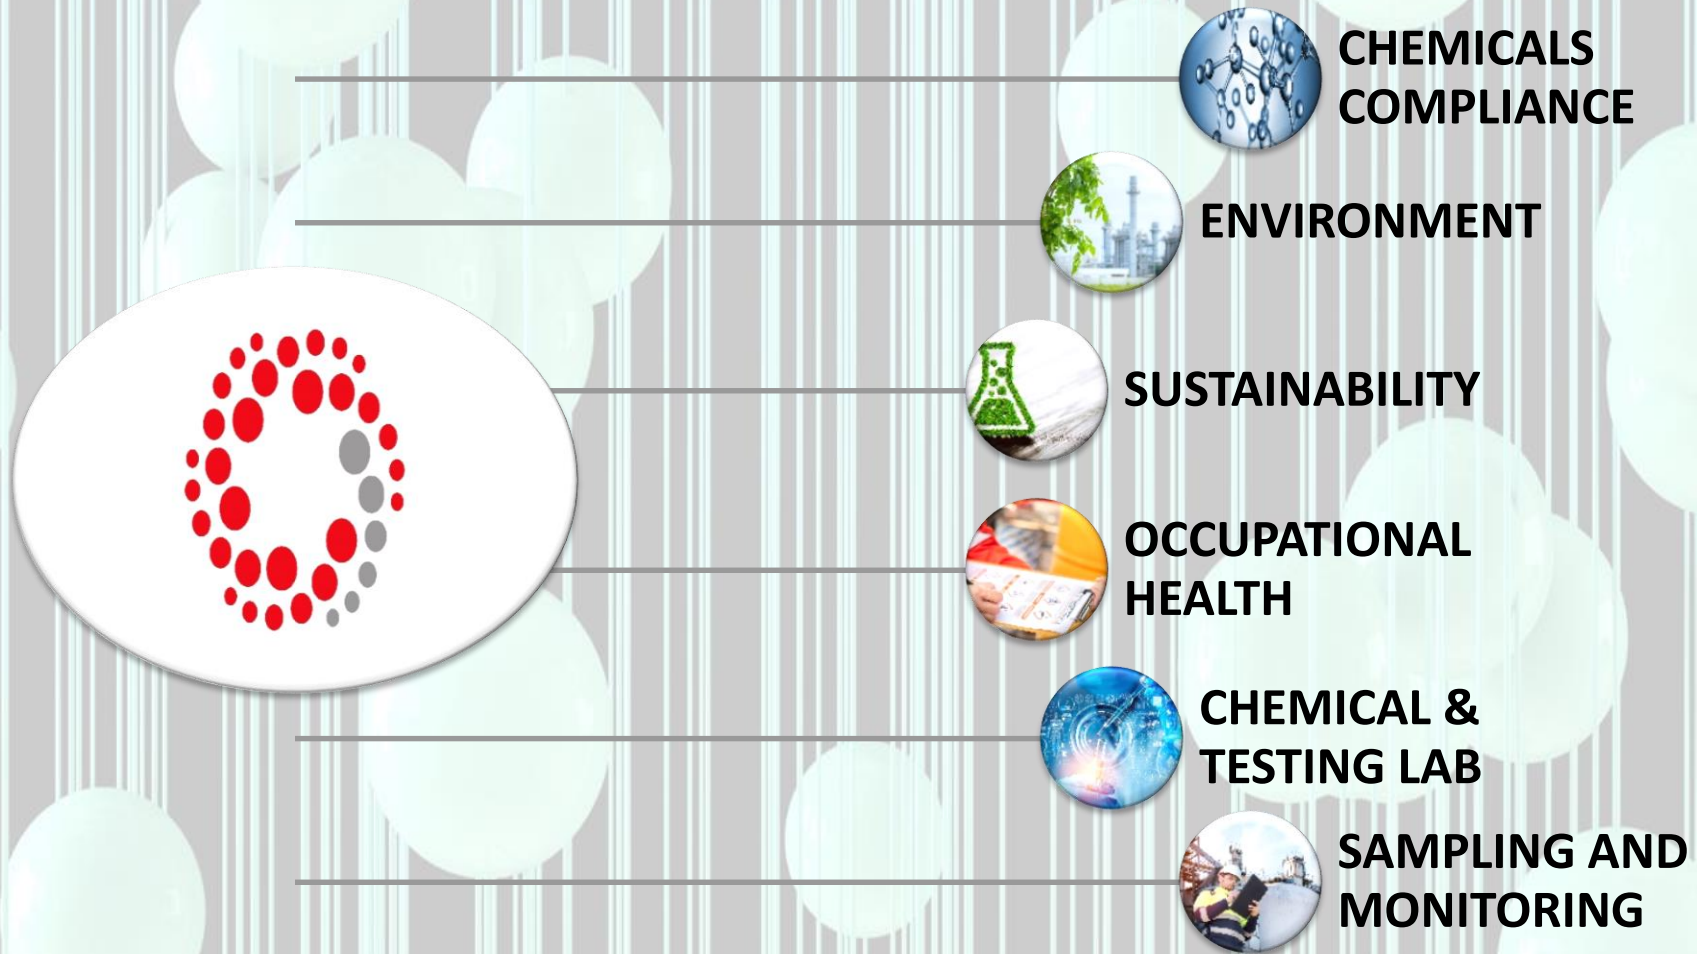

Our mission is to be one source solution for complying with the European regulations on manufacturing and using chemicals, disposing of waste and importing raw materials, end products.

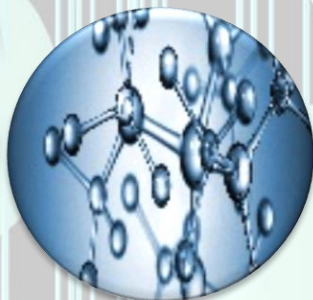

CERTIFICATIONS

We are Accredited according to the UNI CEI EN ISO / IEC 17025: 2005 according to the UNI EN ISO 9001: 2015 standard.

CEPRA IS A ONE SOLUTION PARTNER FOR COMPLYING WITH EUROPEAN CHEMICALS REGULATIONS.
We are a consulting agency and chemical testing laboratory. We are specialized in the product and process compliance services and environmental and health chemical risk assessment.

Flexibility, competence and aptitude for problem solving are available to the customer to be innovative, competitive and compliant with the legal requirements.
